

# Buzzy, Buzzy Bee

Read to the tune of "Twinkle, Twinkle, Little Star"

## 1<sup>st</sup> Reader

Buzzy, buzzy, little bee  
Oh, how much you mean to  
me.

Buzzy, buzzy, little bee

## 2<sup>nd</sup> Reader

Flying with the sun so bright.  
Pollinate the flowers right.

Please, oh, please, just don't  
sting me!

# Spring is Here

## 1<sup>st</sup> Reader

Spring is here,  
Have no fear

Spring is here,  
The sky is clear

Spring is here,  
Yes, it's now

Spring is here,  
Let's make a vow

Spring is here

So let's enjoy the spring  
today!

## 2<sup>nd</sup> Reader

Get out your shorts and tees

Go outside now as you  
please

Go out and fly a kite

To spend the springtime  
right

Only once a year

# Take Me Out to the Playground

Read to the tune of "Take Me Out to the Ballgame"

## 1<sup>st</sup> Reader

Take me out to the  
playground

We can play with all the kids  
around

And I'll run, run, run

I hope it never gets dark

At the playground park

## 2<sup>nd</sup> Reader

Take me out to the swings

Push me so high that I never  
come down

When we play tag

'Cause it's fun, fun, fun  
when we play

# Springtime Cloud

## 1st Reader

Springtime cloud please go  
away  
I want to stay outside and play

Springtime cloud drizzle  
somewhere else  
You are only worried about  
yourself

I already know, don't tell me why  
You can rain but leave my yard  
dry

## 2nd Reader

I'm sorry to inconvenience you  
Raining is something I have to do

I'm surprised that you don't  
know  
My springtime showers make the  
flowers grow

I'm sorry, that's something I  
can't do  
Your trees and grass need my  
rain, too

# Spring, Let it Ring

## 1<sup>st</sup> Reader

Spring, let it ring  
I hear all the kids sing

Spring, let it ring  
Flowers it will bring

Spring, let it ring  
My favorite thing

Spring, let it ring  
Play on the swing

Spring, let it ring  
Let it Spring

Spring, let it ring

## 2<sup>nd</sup> Reader

Spring, time to play  
Let the sunshine stay

Spring, kids get out  
Let the plants all sprout

Spring, birds will tweet  
Let the kids down the street

Spring, bees will zoom  
Let the flowers bloom

Spring, let it spring  
Let it ring

Spring, let it ring

# Spring is the Season

## 1<sup>st</sup> Reader

If you like the sound

And if you like to see

Then, spring is the season  
for you

The birds that chirp so near

The grass you missed so  
much

So if you love this season

Not winter, summer, fall

Spring is the season for you!

## 2<sup>nd</sup> Reader

Of the raindrops on the  
ground

The flowers kiss the bees

If you like to hear

And if you love to touch

Then, spring is the season  
for you

You probably have good  
reason

Even if you like them all

# A New Beginning

## 1<sup>st</sup> Reader

It's a new beginning

Start a new hobby

Plant veggies in the garden

Help to do the dishes

Find a way to give back

Spring is a new beginning

## 2<sup>nd</sup> Reader

A time to start again

Or make a new friend

Or plant a new tree

Or fold the laundry

Find a way to share

To show the world you care!

# Mud Bath

## 1<sup>st</sup> Reader

Freedom was great  
He let me out of the crate

Mud in my toes  
And up in my nose

Now I smell so good  
Like any dog should

My paw prints on the door  
And all over the floor

Why am I in the tub?  
I really don't need a scrub

## 2<sup>nd</sup> Reader

And right in the mud Bruno  
ran

Now Bruno is no longer tan

Mom, trust me, this wasn't my  
plan

I really don't know how this  
began

If you need a bather, I can

# Bundle of Spring

## 1<sup>st</sup> Reader

What would you trade for a  
bundle of spring?

I'd trade my favorite shoes  
The red ones and the blues

I'd give my birthday money  
For a day that's bring and  
sunny

I'd give back them all  
Summer, winter, and fall

I'd do anything

For a bundle of spring!

## 2<sup>nd</sup> Reader

I'd trade my little brother  
Just don't tell my mother

What would you give for a  
bundle of spring?

I'd give my favorite snack  
Just to play in the back

What would you do for a  
bundle of spring?

I'd do anything

For a bundle of spring!
