

Turtle & Rabbit Reading

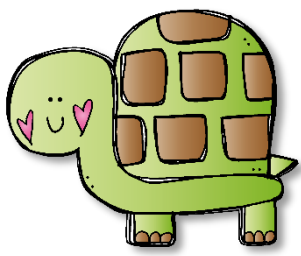

Do you play a sport? I play baseball. In fact, I play first base. I can catch the ball. I can hit the ball. I can run really fast.

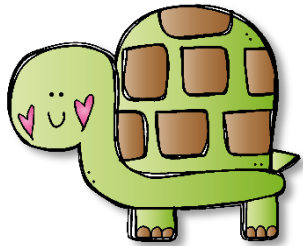

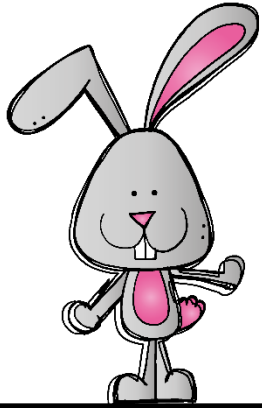

My dad is a good cook. He makes yummy hamburgers. He grills them. Then he adds cheese. They are the best I've ever tried!

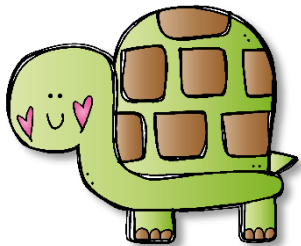

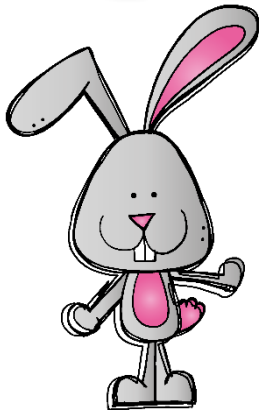

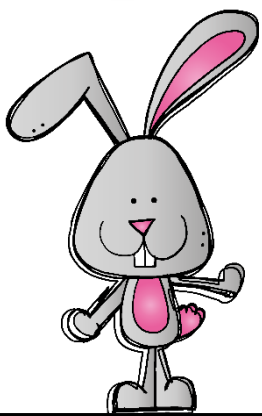

I like to eat. I like hotdogs,
candy, spaghetti, and pizza.
But I like broccoli best. Can
you believe it?

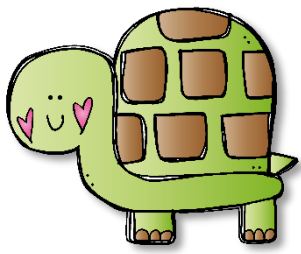

Sam went to school. He did
his math. He did his reading.
He did his best at everything.
Sam loves school.

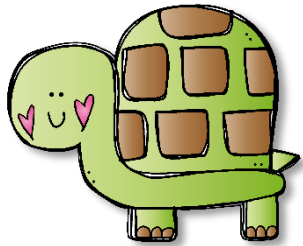

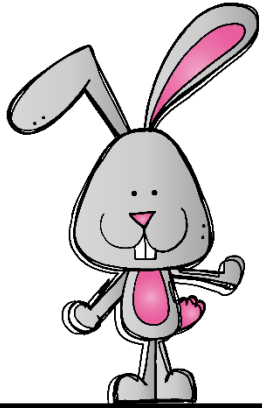

Some kids can run fast. Some
kids can jump high. Some kids
can swim far. Some kids can
climb. What can you do?

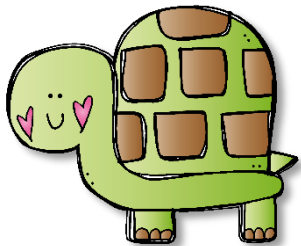

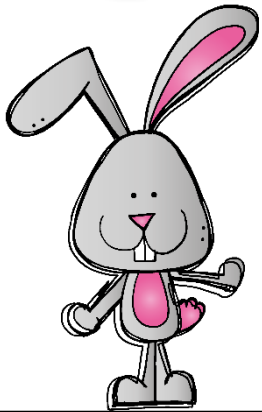

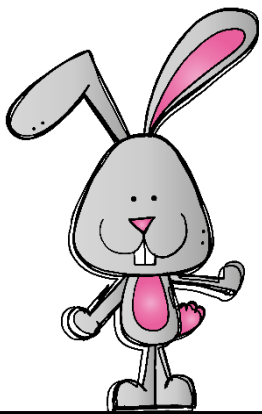

Last night I had a dream. It was a funny dream. In it, I was a clown with a little red car, big yellow shoes, and green hair.

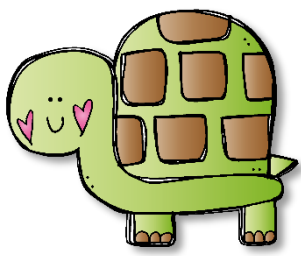

Tad and Bob are friends. They go to the same school. Both boys play soccer. They like to read books. Tad and Bob have fun together.

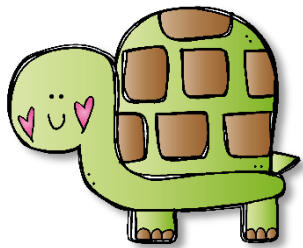

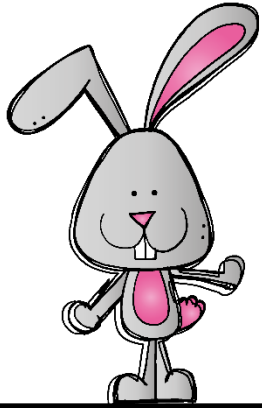

Will you sit with me today? We can work on our math. We can read a book. We can do lots of fun things today. Let's be friends.

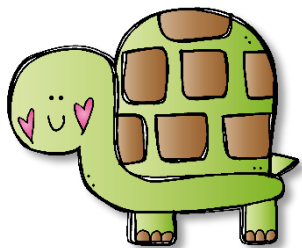

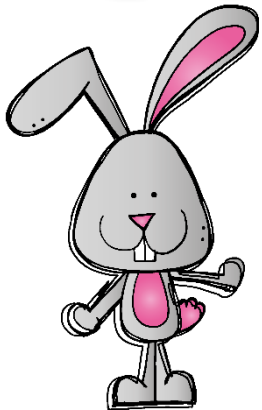

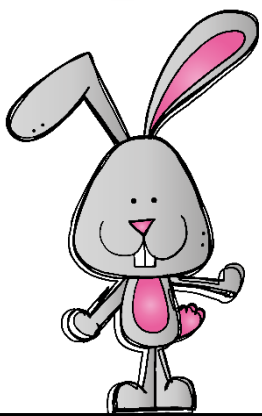

I have a pet dog. His name is Spot. He is black and white. Spot can run, jump, fetch, and play dead. Spot and I are best friends!

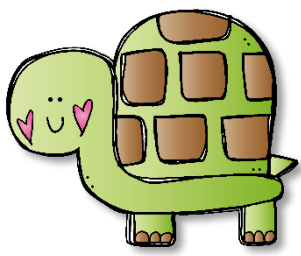

My mom is a teacher. She teaches first grade. She has 23 kids in her class. She loves to teach. I think she's the best teacher in the world.

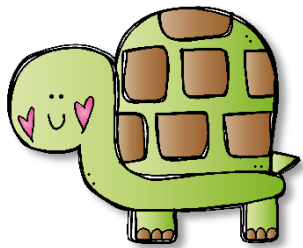

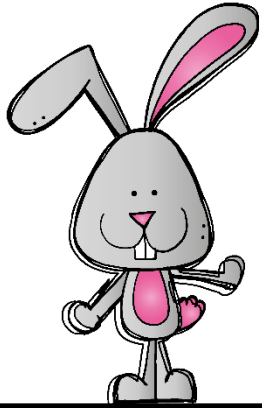

One day I saw a butterfly. It was yellow and black. It flew high in the air. It landed on a purple flower. I can't believe that it was once a caterpillar.

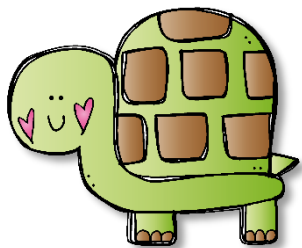

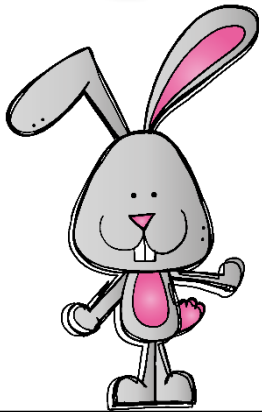

Did you hear that? I heard a loud sound. It was a growl. Could it be a kitten? No. A cat? No. A lion? Maybe! Let's go see!

The best day of the year is my birthday. On this day we eat cake, open gifts, and play games. It's also the day I turn another year older.

Plant a seed. Add some dirt. Water it. Put it in the sun. Watch your seed sprout, and watch your flower grow. Isn't it fun to grow plants?
