

## January

January  
Now is here --  
A fine new start  
For a whole new year.

The snow comes down  
In the dark of night.  
When we awake  
The world is white.

In January  
When there's snow,  
We get our sleds  
And away we go.

## New Year

A year to be glad in,  
And not to be sad in,  
To gain in, to give in,  
A happy new year.  
A new year for trying,  
And never for sighing,  
A new year to live in,  
Oh, hold it most dear.

## January

January opens  
The box of the year  
And brings out days  
That are bright and clear.  
And brings out days  
That are cold and gray,  
And shouts, "Come see  
What I brought today!"

Leland B. Jacobs

## January

Little January  
Tapped at my door today.  
And said, "Put on your winter wraps,  
And come outdoors to play."  
Little January  
Is always full of fun;  
Today we coasted down the hill,  
Until the set of sun.  
Little January  
Will stay a month with me  
And we will have such jolly times—  
Just come along and see.

Winifred C. Marshall

## January

January sparkles.  
January's bold.  
January huffs and puffs.  
January's cold.

## Twilight

I stood beside a hill  
Smooth with new-laid snow,  
A single star looked out  
From the cold evening glow.

There was no other creature  
That saw what I could see--  
I stood and watched the evening star  
As long as it watched me.

Sara Teasdale

Holding hands out in the snow  
Slowly on our way we go  
Leaving little paths behind  
For the winter owl to find.

## Snow Towards Evening

Suddenly the sky turned gray,  
The day,  
Which had been bitter and chill,  
Grew soft and still.  
Quietly  
From some invisible blossoming tree  
Millions of petals cool and white  
Drifted and blew  
Lifted and flew,  
Fell with the falling night.

Melville Cane

The snow fell gently all the night.  
It made a blanket soft and white.  
It covered houses, flowers and ground  
But did not make a single sound

## Icicles

We are little icicles  
Melting in the sun.  
Can you see our tiny teardrops  
Falling one by one?

## A Chubby Little Snowman

A chubby little snowman  
Had a carrot nose  
Along came a rabbit  
And what do you suppose?  
That hungry little bunny,  
Looking for his lunch,  
ATE the snowman's carrot nose...  
Nibble, nibble, CRUNCH!

## The Snowman

One day we built a snowman,  
We built him out of snow;  
You should have seen how fine he was,  
All white from top to toe.

We poured some water over him,  
To freeze his legs and ears;  
And when we went indoors to bed,  
We thought he'd last for years.

But, in the night a warmer kind  
Of wind began to blow;  
And Jack Frost cried and ran away,  
And with him went the snow.

When we went out next morning  
To bid our friend "Good Day",  
There wasn't any snowman there...  
He'd melted right away!

## Little Snowman

(to the tune of "I'm a Little Teapot")

I'm a little snowman round and fat,  
Here are my mittens,  
Here is my hat.

Add a little scarf and a carrot nose.  
You stand so tall when the cold wind blows.

## The Snowman

I made a great tall snowman  
With two huge coal black eyes  
And just to reach around his neck  
Took two of Daddy's ties.  
I put a hat of mother's  
Upon his rounded head  
And then I ran and left him  
And hurried off to bed.  
When I awoke next morning  
Imagine my surprise  
My snowman had run away  
And left his hat, ties, and eyes!

## The Snowman Song

I am a little snowman.  
I am so fat and round.  
I started from a snowflake  
that fell upon the ground.

I have two buttons for my eyes,  
a great big scarf of red,  
I have a carrot for a nose,  
a hat upon my head.

Watch  
me  
as  
I  
melt  
to  
the  
ground.

## Snow Ball

I made myself a snow ball as perfect as could be  
I thought I'd keep it as a pet and let it sleep with me  
I made it some pajamas and a pillow for its head  
Then, last night it ran away  
But first -- it wet the bed.

Shel Silverstein

## Snowflakes

(to the tune of "twinkle, twinkle little star")

Snowflakes, snowflakes falling down,  
On the trees and on the ground.  
I will build a man of snow,  
Tall black hat and eyes of coal,  
If the sun comes out today,  
I will watch you melt away!

## Snowflake

(to the tune of "I'm a Little Tea Pot")

I'm a little snowflake white and round  
I don't make a sound as I fall to the ground  
When you look out your window you will shout  
I'm putting on my mittens and going out.

Stephanie Shearer

It's fun to walk in the sparkling snow,  
And hear my boots go crunch,  
I play so hard.  
Soon I'm wet and tired  
And ready for hot soup with lunch.

The warm south wind is taking a nap.  
Zip up your coat and put on your hat.  
So Mr. North Wind won't nip at your toes,  
Put on warm boots and warm winter clothes.  
Put on your gloves to protect your fingers.  
Now Mr. North Wind's cold won't linger.

**Goodbye Winter**  
(to the tune of "Goodnight Ladies")

Goodbye winter,  
Goodbye winter,  
Goodbye winter,  
Please go away!

(continue by replacing "winter" with other winter words  
i.e.: snowsuits, snow, scarves, toques, mittens, etc.)

## Five Little Inuit

Five little Inuit fishing in the ice,  
The first one said, "I'm glad we're being nice."  
The second one said, "There's a polar bear over there."  
The third one said, "I don't care."  
The fourth one said, "I'm going to my igloo."  
The fifth one said, "I think I'm going with you."  
Then whoo went the wind, and out went the light,  
And the five little Inuit skated out of sight.

## I'm a Little Snowman

I'm a little snowman  
Short and fat.  
Here are my buttons,  
Here is my hat.  
When the sun comes out,  
I cannot play.  
Slowly, I just melt away.

## Toboggan

Down from the hills and over the snow  
Swift as a meteor's flash we go,  
Toboggan! Toboggan! Toboggan!

Down from the hills with our senses lost,  
Jealous of cheeks that are kissed by frost,  
Toboggan! Toboggan! Toboggan!

Down from the hills like an arrow we fly,  
Or a comet that whizzes along through the sky;  
Down from the hills! Oh, isn't it grand!  
Clasping your best winter girl by the hand,  
Toboggan! Toboggan! Toboggan!

*Benjamin Franklin King*
